

Student consultancy for renewable energy at HSG

OPEN POSITION

Co-Project Head

Leadership

6-10h/week · Campus Credits possible

Since 1987, oikos St. Gallen has driven initiatives for positive change at the University of St. Gallen, bridging business and academia. oikos Solar is its student consultancy for renewable energy: we support startups, companies and public institutions in Switzerland with hands-on consulting projects that move the energy transition forward. Our team is organised in four departments: Consulting, Partnerships, Marketing & Events and Finance.

As Co-Project Head, you lead oikos Solar together with your Co-Head. You set the strategic direction, keep day-to-day operations running, take care of HR and team development, and make sure the four departments pull in the same direction. You are the first point of contact for partners, the board of oikos St. Gallen and the team, and you represent the project externally.

YOUR RESPONSIBILITIES

- Set and drive the strategy of oikos Solar together with your Co-Head
- Lead the four department heads and coordinate priorities across teams
- Recruit, onboard and develop the team; run regular team meetings
- Represent oikos Solar towards internal and external stakeholders
- Keep an overview of projects, budget

WHAT WE OFFER

- Interim period with mentoring before taking full responsibility and leadership
- Direct contact with companies, energy providers and public institutions in the swiss energy sector
- A lot of freedom to shape the organisation and bring in your own ideas
- Access to the oikos network
- Certificate of participation and optional Campus Credits
