

OPEN POSITION APPLY AS MEMBER OF THE CONSULTING TEAM OIKOS SOLAR

oikos
— — —

Since its founding in 1987, oikos St. Gallen has led numerous initiatives for positive change at the University of St. Gallen, engaging in both the business and academic sectors. oikos Solar is dedicated to advancing the energy transition in Switzerland by supporting cantonal and municipal stakeholders through renewable-energy consulting projects. Our team is structured into 5 departments: Finance, Community & Events, Consulting, Data Insights, and Research. As part of the Consulting Team, you work directly with cantonal and municipal clients to assess their challenges and co-create practical, actionable recommendations. You are supported by our other teams, who provide the expertise needed to deliver high-quality consulting outcomes.

YOUR RESPONSIBILITIES AS TEAM MEMBER

- Conduct research and analysis on markets, customers, and competitors
- Develop business models and translate insights into clear recommendations
- Prepare presentations and reports to communicate findings effectively
- Work with clients to identify challenges and co-create practical solutions
- Support project organization, coordination, and high-quality delivery
- Around 8-12 hours a week

WHAT DO WE OFFER?

- Hands-on experience in real sustainability and energy projects
- Opportunity to contribute directly to Switzerland's energy transition
- Skill development in research, analysis, and communication
- Collaboration with motivated, like-minded students
- A meaningful role alongside your studies with optional academic credits (from HS26)
