

OPEN POSITION CO-PROJECT HEAD

Since its founding in 1987, oikos St. Gallen has led numerous initiatives for positive change at the University of St. Gallen, engaging in both the business and academic sectors. oikos Solar is dedicated to advancing the energy transition in Switzerland by supporting cantonal and municipal stakeholders through renewable-energy consulting projects. Our team is structured into 5 departments: Finance, Community & Events, Consulting, Data Analytics, and Partnerships. As Co-Project Head, you represent oikos Solar to external stakeholders and lead the organization together with your Co-Head. You shape our strategic vision, oversee day-to-day operations, manage HR and team development, and ensure that all five departments work together effectively. You are the central point of contact for partners, the Board of oikos St. Gallen, and our team, driving both the long-term direction and the daily momentum of oikos Solar.

YOUR RESPONSIBILITIES AS CO-PROJECT HEAD

- Leading 4 teams through a transformation of our business model
- Internal and external communication with the oikos community
- Relationship management with external partners
- Planning and Coordination of tasks in the team

WHAT DO WE OFFER?

- Hands-on experience in leadership, organizational design and deal brokering with a lot of freedom to contribute own ideas and interests
- Teamwork with committed students in the fields of renewable energy adoption and business
- Contact with companies and individuals involved in sustainable business
- A meaningful and challenging project alongside your studies
- Certification of participation for your engagement
